Client Investigation Agreement, Confidentiality and Release Form

I (client identified by name and signature below) grant permission for the New Orleans Ghost Hunters (NOGH) to perform a paranormal investigation on my property or property under my control or charge and to gather, review and analyze evidence collected during that investigation, including witness statements, audio and video recordings, photographs and other scientific readings.

The NOGH respects the clients right to privacy and all personal information will be kept confidential. Investigative team leaders and members will have access to the investigation file for education and research purposes only. The NOGH may want to use some or all of the information and evidence collected during the investigation for possible inclusion on our website and/or educational considerations (lectures, workshops, etc.).

Please check the level of confidentiality you would like to grant the NOGH:

The NOGH may not release any part of the investigation to the public.

The NOGH may release information pertaining to this investigation to the public providing that the identity of witnesses and clients are protected in documentation and photos and the exact address or any identifiers (name of subdivision, roads, landmarks, etc.) of the location are excluded.

The NOGH may release any or all of the information and evidence collected during the investigation.

In order to assist in the paranormal investigation being conducted on my property or property under my control or charge, give full ownership to the NOGH of any voice recording, photos or evidence they may capture during the paranormal investigation.

By signing my name below I agree to the above terms.
